

Tuesday, Week 1: Mark 1:41

*Jesus felt sorry for the man. So he put his hand on him and said...
“Now you are well.” (CEV)*

1. Fully human, yet fully divine, Jesus demonstrates God’s compassion for us. What in your life could use Jesus’ healing touch?

2. At the start of this Advent season, where do you see evidence that God is working through His people to bring healing today? How does this evidence bring you hope?

3. How might you contribute to the mission of God in bringing healing to your family, your church, your community or further afield, thus sharing the hope of Advent and the reality of Jesus as our Wonderful Counsellor?

Heavenly Father: Thank you for sending your Son at Christmas to reveal your great love for humanity and for me. Make me a channel of your compassion and healing, that I might help bring hope to those I encounter. For I ask it in Jesus’ name. Amen.
